MEET THE FOUNDER / LEADERSHIP COACH

Priya S. Sundararaman, DTM

Certified Distinguished Toastmaster,
Former Toastmasters Distinguished Area Director, President's Distinguished / Advanced Club Leader.

Priya has been speaking to audiences, winning accolades since her own middle school years and draws inspiration from her diverse work and childhood experiences. She is a licensed Finance professional in Corporate America, but she most certainly found her calling in December of 2015 when she established DSI as a passion-turned sole proprietorship. She calls this her social entrepreneurship effort, her way of giving back to the Community. An involved Youth Leadership Mentor/Coach since 2012, Priya has presented several hundreds of speech evaluations, numbers steadily increasing as DSI carries on.

DSI's mission is to make a difference in the life of every child that walks through its doors, instilling confidence to put their best foot forward. It's no surprise that DSI's Leadership Workshops have been received very well, with mentees achieving exceptional heights, several children returning, even parents asking to attend. The very first set of workshops ran out of her house but DSI now has its own beautiful space in **Mercerville Hall**, located in Hamilton Square, NJ, that gives children the best formal experience. Until 2023, **at least 250 future leaders** have been successfully trained through **39 Youth Leadership Workshops, 12 weeks each** and **19 Grand Finale DSITalks** events.

Priya is an accomplished Toastmaster (toastmasters.org) since 2011, honored with their highest educational award, **Distinguished Toastmaster (DTM)** in 2019, after progressing through the Competent and Advanced Bronze, Silver, and Gold levels on both communication and leadership tracks. She has given over 40 speech presentations. She is also the 2016 Speech Evaluations Contest Division F Runner-up, Area F63 contest and Club contest winner.

As a strong Toastmasters Leader of 5 years, Priya has served as Area Director, **Club President, VP Education and Treasurer**. She led her Corporate Club to the prestigious **President's Distinguished** status during all four years of her leadership and a **District 38 Legacy Club Award** in 2017. As an Area Director on the Division F Council in 2019, she supported four Corporate Clubs that she also led to distinguished status, earning recognition by District 38 as a **Distinguished Area Director**.
